Subject: Copy of Executed Reclamation Agreement, Utah Dept. of Transportation, UDOT Beck Street Quarry, M/011/003, Davis County, Utah

Dear Mr. Jensen:

As per the Division's April 27, 2007 approval letter for the reference mining operation, please find enclosed your copy of the final executed Reclamation Surety Agreement and the Reclamation Contract.

The Board of Oil, Gas and Mining approved the Reclamation Surety Agreement as a form of a self-bonding agreement on April 25, 2007. The Division previously approved the Notice to Conduct Large Mining Operations. The Division now permits you to begin mining operations as outlined in you large mining notice. The surety will be reviewed periodically to assure that the bond remains adequate.

Thank you for your help and patience in finalizing this permitting action.

Sincerely,

Susan M. White
Mining Program Coordinator
